SOLID WASTE FACILITY PERMITFacility/Permit No.
04-AA-0008**12. Legal Description of Facility:**Township **T19N**, Section 19, Range 4E**13. Findings :**

- a. This facility is a **Transfer Station** identified and described on **page 3** of the **County Solid Waste Management Plan (CoSWMP)** dated **11/1/85** (Public Resources Code **\$ 50000 (a) (1)**).
- b. This permit is consistent with standards adopted by the California Integrated Waste Management Board (**CIWMB**). (Public Resources Code **\$ 44010**).
- c. The LEA has determined that the design and operation of the facility is in compliance with the **State** Minimum Standards for Solid Waste Handling and Disposal, **based on a** review of the **8/97** Report of Facility Information and an inspection of the facility conducted on **24 September, 1997**.
- d. The following authorized agent has made a determination that the facility is consistent with, and designated in, the applicable General Plan: (Public Resources Code **\$50000.5(a)**). **Charles W. Bird**
- e. The following local governing body has made a written finding that the surrounding land **use** is **compatible** with the facility operation, as required in Public Resources Code **\$ 50000.5(b)**. **City of Oroville, CA**
- f. The LEA has reviewed and considered the information contained in the environmental review (**SCH # 97072103**) dated **Aug. 1997**, and finds that there **are** no environmental effects arising from the issuance of this solid waste facility permit.

14. Prohibitions:

The permittee is prohibited from accepting any liquid waste that is **less** than 50% solid by weight, designated waste, or hazardous waste unless such waste is specifically listed below, and unless the acceptance of such waste is authorized by all applicable permits.

15. In addition to the terms of this SWFP, the following documents describe the operation of this facility.
